The most important human endeavor is the striving for morality in our actions. Our inner balance, and even our very existence depends on it. Only morality in our actions can give beauty and dignity to our lives.

Dear Class of 2010:

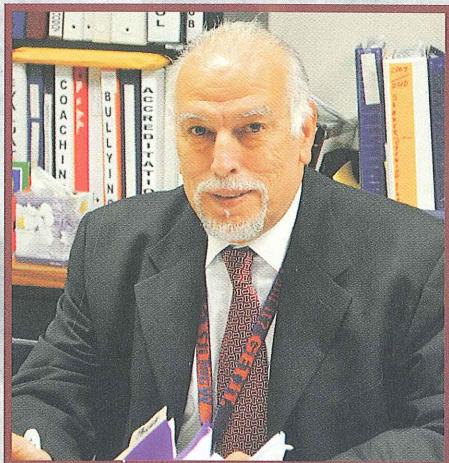

As you embark on a new chapter in your lives, think about the significance of the year 2010: your graduation from Bulkeley High School is coming at the end of the first decade of the new millennium. As I look back on 1999, I vividly recall the excitement and anxiety surrounding the arrival of the new Millennium. After all, this event comes once every one thousand years. The promise and joy of being a select group fortunate enough to experience this event, and the fear that many of the systems that keep our homes, our country and the world humming were going to break down, caught the world's attention.

In 1999 I was an Assistant Principal at Bulkeley High School. I was proud to be part of a school steeped in tradition and with a track record of graduating young people who went on to productive and happy lives. You were eight years old, enjoying your elementary school years, and, no doubt, part of the Millennium fever.

Ten years later, I am the Principal of Bulkeley High School, a dream come true. As I complete my second year as your Principal, I continue to be enlightened, challenged, humbled but most of all excited and exhilarated each and every day. Ten years later, you are sitting before family, friends and Bulkeley staff at the Commencement Exercises of your high school graduation: what an achievement and honor for you, and what a rewarding moment for me and our Bulkeley Family.

Savor the achievement of this important milestone; then, continue on the path to excellence and fulfillment in both your career aspirations and your personal lives. Heed the simple and wise advice of the Bengali spiritual teacher and humanitarian, Sri Chinmoy, "The future is here- In the heart of Here and Now." Leave regrets behind; the best is yet to come. Thank those who have helped you along the way, and always keep close to your hearts your Bulkeley roots. Godspeed.

This season didn't go as planned. It was a very rough start. It didn't go as we wanted but it was still fun. All the memories won't be forgotten! The whole team is a family and I hope it can stay this way after high school. Even though we had ups and downs this season, there were still those times when we worked together to take out the opposing team on defence and score points and offence. This season might be one of the worst records that we had as a team, but in the long run it was still fun and we enjoyed playing.

Boys Varsity Basketball

Aaaaaaaaaahhhhhh!!!!!!
1-2-3 Team 1-2-3 Defense
1-2-3- Dogs!!
These four years have been great. 2008 CCC Champs and 2009 State Champions.
Basketball has always been important to the team. We have went through so many ups and downs, this has made us so close. We are technically brothers now. Our Love for the game has grown as well as our love for each other. This bond has made us more than just champs. It has made us superior individuals. Winners Win, Losers Quit. Basketball is life.

"Good, better, best. Never let it rest. Until your good is better and your better is best."

Priscila Rosa #3
Co-Captain

CO CAPTAIN

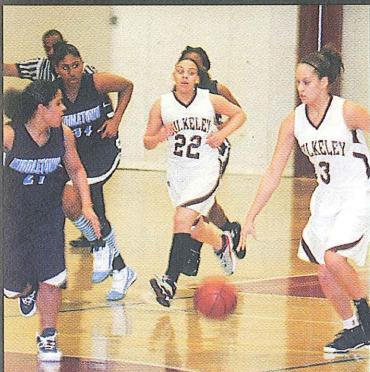

Priscila has been a member of the Bulkeley Girl's Basketball Team for four years and has earned 3 Varsity letters. Last season she was an unanimous All Conference selection. This season she leads the team in scoring, rebounding and in blocking shots. Priscila's talent on offense using slashing drives, pull-up jumpers, the three pointer and shooting over 70% from the free throw line has her averaging almost 18 points per game. This places Priscila third on bulkeley's all-team single season scoring leaders.

Yaritza Flores #4

Yaritza has played for the "Lady Bulldogs" for two years. Without a doubt she has the best shooting touch on our team and that includes shots from the three-point range.

BHS appreciates her participation in the basketball program and wishes her the best next year as she plans to attend college.

MANAGER

Mariangelly Alvarado

Every coach certainly appreciates having a manager to assist in the many tasks that are part of the basketball program such as taking stats, keeping score, helping in practice, managing the equipment etc. This team and its coaches appreciate Mariangelly's willingness to help out in any way that she can and that also includes encouraging our players. to put it simply...she has been a great teammate and our team is better because of her.

CO CAPTAIN

Mariliz Ruiz #23
Co-Captain

Mariliz is a four year member of the "Lady Bulldogs". She is to be admired as she struggled through some injuries during her years but has bounced back each time as a strong player. She is the toughest defender on the team leading the team in steals and inspiring play with her hustle.

BHS is proud of her contributions to the basketball program and wishes her the best.

Dagzira Gomez #32

Dagzira has participated in the Bulkeley Girls Basketball program for two years. She has worked hard and has shown improvement. It's an honor to have her on our team, she has really shown us effort and BHS want to thank her for her hard work and contributions in the basketball program and wishes her the best next year.

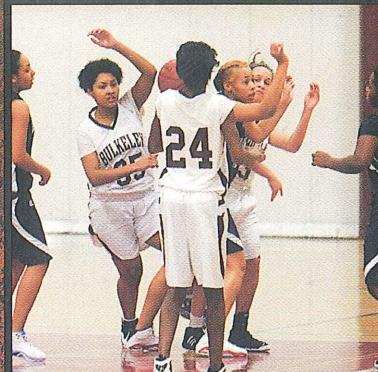

Whitney Vitale #34

Whitney came out for the basketball team this year for the first time. She has been one our most enthusiastic players... always giving her best in practice and on the court. She is a great teammate!

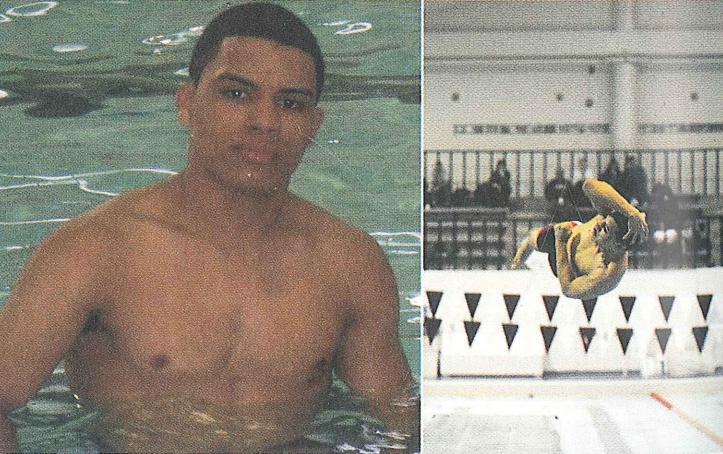

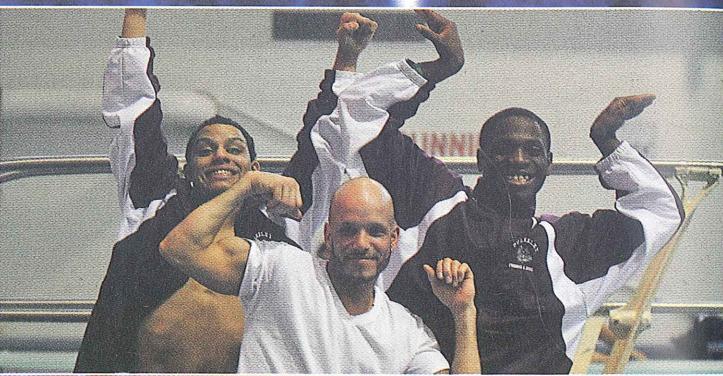

BHS especially the coaches appreciate her decision to play for the first time in her senior year and wishes her the best in life.

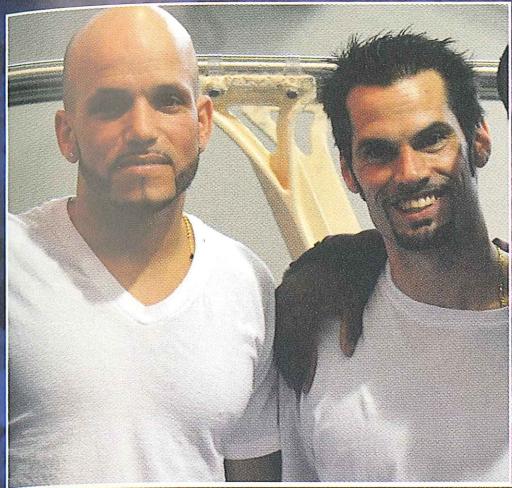

Bulkeley

Boys swimming

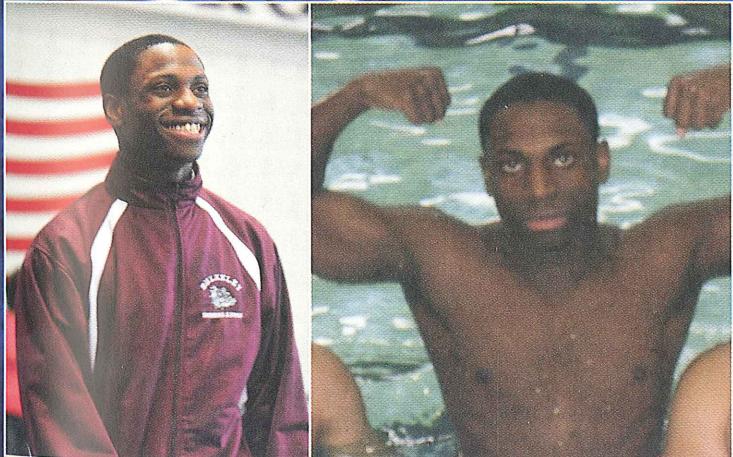

As a freshman, I never thought I'd get this far with Diving. Through hard work and determination, I became state champion and broke the team record at Bulkeley! When it got tough, I was tempted but never gave up; my team wouldn't allow me to quit, they helped me reach my goals. Pedro helped me keep focused in school and my coach / life mentor Dominguez saw me thru the personal struggles. Dominguez, Pedro, Tyrell, Eddie, Laura, my little china town and Jaileene... I couldn't have done it without you! Thank you for believing in me! Look out world... here I come!

The coaching staff would like to thank our seniors for the great memories and times that we have shared as a team. All of you have been fierce competitors and have shown incredible sportsmanship. To Jonathan Perez and Tyrell Ranger, our co-captains and four year swimmers and divers, you will truly be missed but not forgotten! To Michael Rodriguez, Luis Morales, and Jaime Hinostroza, thank you for being part of our family. We love you and wish you the best.

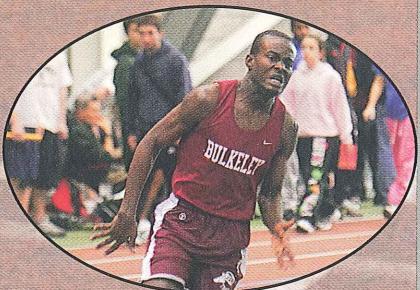

2010

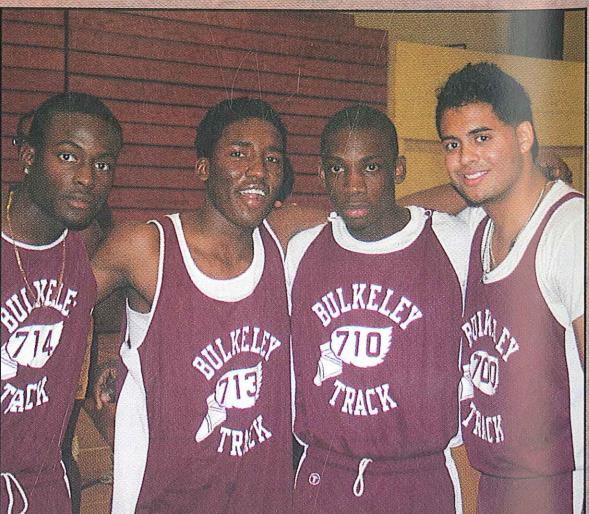

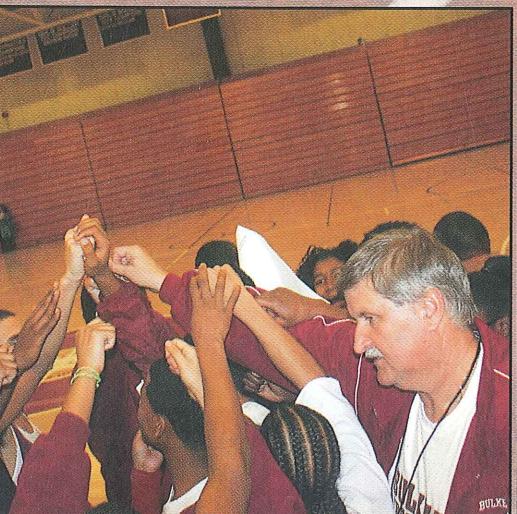

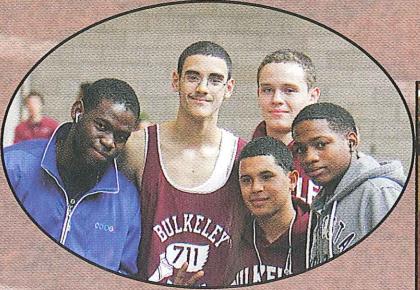

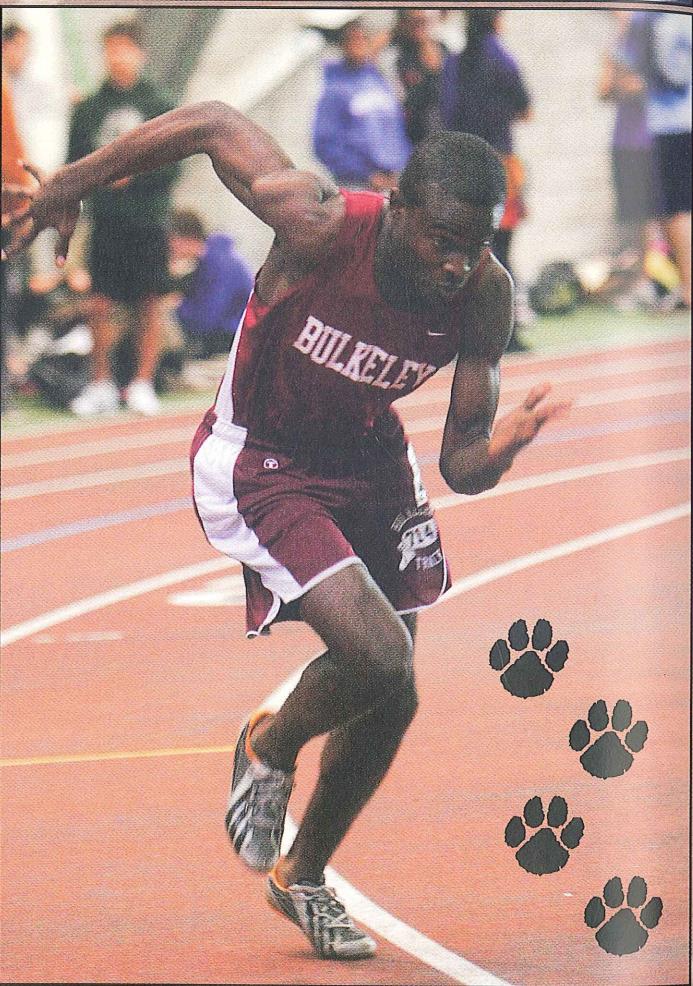

Swimming and diving for four years has been a wonderful and life-changing experience. I never expected to be a star swimmer and diver when I started. I got inspiration from my teammates Jonathan, Eddie and Mickey. I'm glad that I have the greatest coach helping me throughout my years of swimming. With Juan I was able to get to states for diving and swimming in my junior year and now my senior year. Without him, Pedro and Laura my swimming and diving experience wouldn't be the way it has been. I love them and I want to say Thank You to them for being there for me.

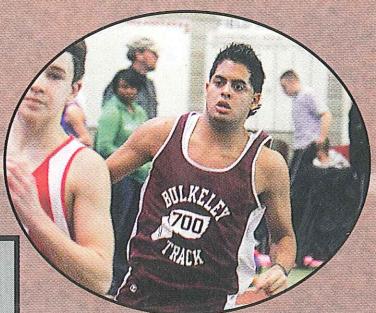

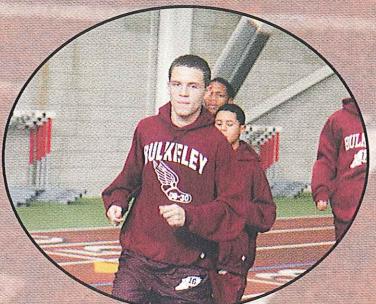

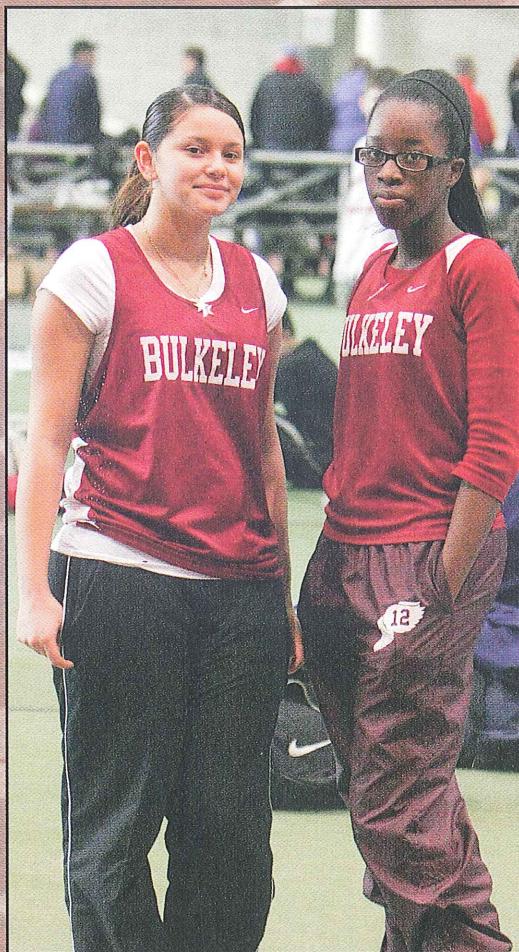

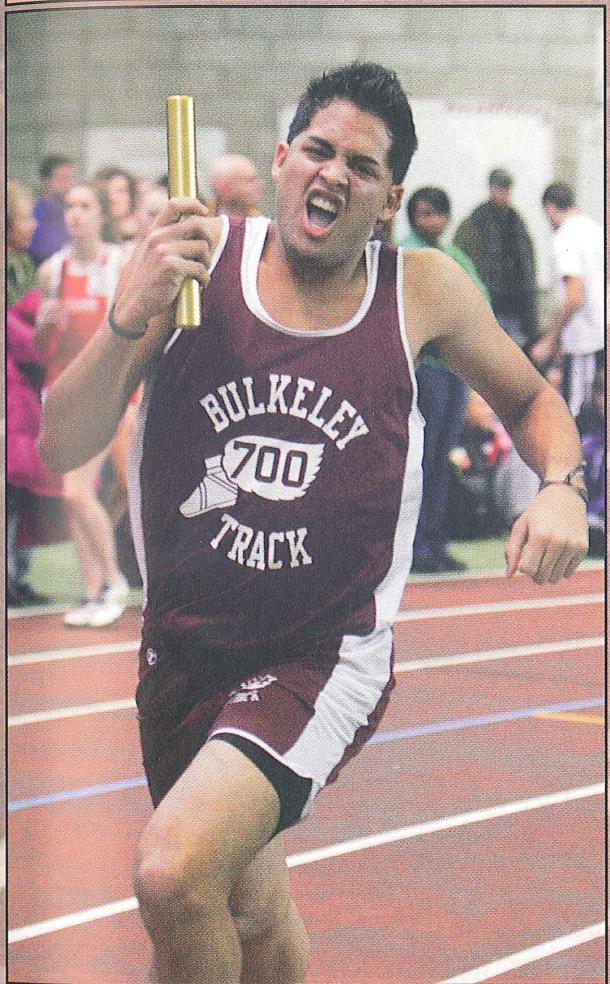

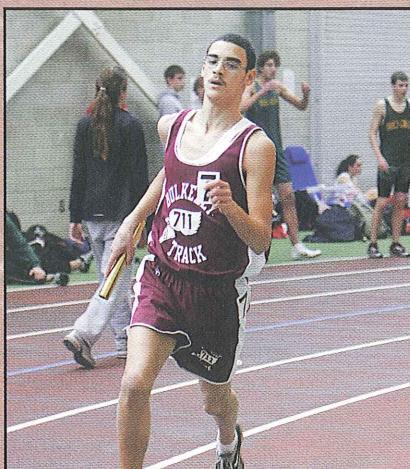

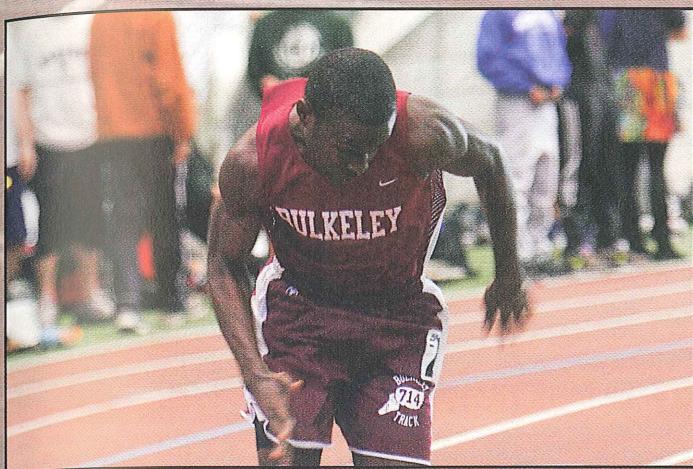

Indoor Track

This is what we say after every practice: "I am one but I am only one, I can't do everything, but I can do something, I ought to do what I can do, and by the grace of GOD I will do."
1..2..3...Bulldogs!!

Ever since I joined the Outdoor and indoor track team I feel in my heart that I can accomplish anything I want if I set my mind to it. I'm so proud for my teammates and myself becoming a CCC champion Twice. I will never forget ya.

Yearbook Staff 2010

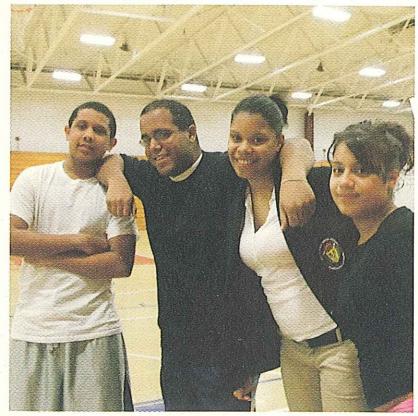

2009-2010 was a year of learning for the whole staff, we all started the yearbook with zero experience but had tons of enthusiasm. The staff was excited to create a yearbook that represented Bulkeley in a positive light, they did not disappoint. This yearbook highlights the diversity and character our student's embody everyday. I am proud of what we created as a team and hope this yearbook is enjoyed by all who pick it up. The creative process needed to make an outstanding yearbook requires many hours of work. The book will naturally please many, but leave others unhappy. We did our best to make everyone happy, it is our desire that the 2010 yearbook will be a treasure enjoyed for many years, and sit proudly on the bookshelves filled with memories of time spent at BHS as a bulldog. I wish all the seniors success and happiness in the future.

Enjoy the 2010 yearbook, the memories captured will last forever.
